Edgeflow | <http://www.edgeflow.io/>

EdgeFlow is an art production studio that is committed to creating high quality digital art content, specializing in assets for games and other real time applications

Victor Rubenstein - victor@edgeflow.io

Those Awesome Guys | <https://thoseawesomeguys.com/>

THOSE AWESOME GUYS is a small independent video game developing "studio" formed out of people from around the world with the purpose of being the developers and publishers we'd support as gamers. We made Move or Die and published Monster Prom.

Nick Berbece - nick@thoseawesomeguys.com

Whyttest | <https://whyttest.com/>

Whyttest is a young company, with a friendly culture, located in Bucharest, Romania. Since 2014, here you can find the perfect mix between "young blood" and veterans of the industry. The teams consist of highly experienced QA professionals (10+ – 15+ years in different gaming companies) and young people, with great potential and fresh ideas. With values such as: Quality, very good Communication, Efficiency, Transparency, Flexibility and Adaptability, great Leadership, data and project Security and Protection, Readiness, Whyttest is the perfect partner for any development team!

Marius Potirniche - marius-tudorel.potirniche@whyttest.com

MEET US in San Francisco!

Send us a meeting request on MeetToMatch.

ABOUT

The Romanian delegation at GDC is organized with by RGDA – the Romanian Game Developers Association, with the support of the Romanian Government. RGDA is a non-profit organization whose purpose is to support and promote the Romanian video game development industry, both at a national and international level. RGDA organizes Dev.Play, the conference for Eastern European game developers, every autumn. Meet us in Bucharest as well at Dev.Play this October! Learn more here: <https://dev-play.ro/>
